

The **BEST** home for Dolls' House Miniatures and Nail Art Cane Designs

MyTinyWorld has a huge range of 1/12th scale miniature dolls' house products including furniture, food, electrical lights, glassware, ceramics, flowers and plants, kitchenware and many many other everyday dolls' house components.

The recent launch of MyTinyWorld Nails™ at this year's Olympia Beauty Show confirmed the overwhelming success of our superb nail cane range and orders have far exceeded all our expectations - check out this fantastic range online TODAY!

The vast majority of our products are either hand crafted at our family run business in the UK, or made by master craftsman to our own exacting design specifications.
