

Probably the **BEST** home for Dolls' House Miniatures

MyTinyWorld has a range of over 6000 1/12th scale miniature dolls' house products including furniture, food, electrical lights, pewter, glassware, ceramics, flowers and plants, kitchenware, old packaging and many other everyday components.

We take great pride in the prices and quality of our products and welcome any new 'wish list' ideas from our thousands of incredibly enthusiastic buyers from all over the world.
